

Articulation Agreement

Registered Apprenticeship Program

A.S. in Industrial Management Technology POS 2378

To enhance students' access to educational programs, this articulation agreement provides for the award of credit from a Registered Apprenticeship into the Associate in Science in Industrial Management Technology. Students who have successfully completed the apprenticeship program and demonstrated competence in all required skill areas may be awarded credit toward the A.S. degree as described in this agreement.

1. This Agreement will remain in effect until revised or replaced. This agreement will be reviewed at least every two years. This Agreement replaces a prior Articulation Agreement:
 No / Yes _____
2. Students must meet all admissions requirements for FSCJ prior to credit being awarded for the A.S. degree program.
3. Upon completion of requirements, students will receive credits as outlined below.

<u>Training Program/Apprenticeship Title</u>	<u>Course Number and Name</u>	<u>Credits</u>
Registered Apprenticeship	MNA 1949H Industrial Technical Practicum	24
OSHA 30 Hour General Industry Safety and Health	BCN 2732 OSHA Safety	3
Total Credits		27

4. The above course equivalencies were determined based on a faculty review of the course performance standards and curriculum for Registered Apprenticeship programs and review of the FSCJ course outcomes, and the standards set by the state of Florida College System for articulation of apprenticeship programs into the A.S. in Industrial Management Technology.
5. Required documentation: OSHA 30 Certificate; proof of successful completion of a Registered Apprenticeship from Florida Department of Education, Division of Career and Adult Education.
6. This agreement is subject to change by curricular or program changes or state mandate.
