

## APPRENTICE SPONSOR INFORMATION

This form initiates the process for sponsoring an apprentice in the MACCA apprenticeship program. If the employee is applying for the first year of the program, this begins the registration process. If the employee is registering for the second or third year, this will be the basis for enrollment records.

The current apprentice enrollment fee is \$650 per year for all apprentices that are employees of MACCA member companies. A check for \$650 **payable to MACCA Apprenticeship**, for each sponsored employee should be forwarded to the MACCA Administrative office, listed below.

For sponsors who are not members of MACCA, the enrollment fee is \$750 per year per apprentice. The cost of MACCA membership is currently \$290 per year for companies with 1-3 employees, \$390 per year for companies with 4-9 employees, and \$490 per year for companies with 10+ employees. All contractor member levels include membership in the State association, FRACCA. If you are not currently a member of MACCA but would like to join, please contact the MACCA Administrative office for details on how to join and how to register your apprentices.

*Note: This portion of the form is to be utilized **only** for the employer's **written** approval for the following new candidate(s) to be considered for transfer into the second year of the program, subject to **complete compliance** with the program's "policies and procedures for class transfers".
